In order to progress to Law Tripos Part II, candidates in Law Tripos Part IB 2020 are required to pass Part IB.

The Examiners will normally determine whether candidates have passed Law Tripos Part IB 2020 according to the following convention, though this is a convention only, and determination whether candidates have passed is ultimately a matter for the decision of the Examiners, taking into account a candidate’s performance in the examination as a whole.

The pass mark in each paper in Law Tripos Part IB 2020 is 80 out of 200.

Candidates who obtain the pass mark in at least four papers will pass Part IB. Candidates who do not obtain the pass mark in at least four papers will fail Part IB.
